discusses the elements of a sign and looks at pictograms alphabets calligraphy monograms text type numerical signs symbols and trademarks

Write Tight 2007-09-01

the go to reference guide for learning how to write in a concise persuasive way not since the elements of style has a writing guide had the ability to turn a writer s work around so effectively every writer struggles with keeping their prose focused and concise but surprisingly few books address this essential topic write tight is an informative and utterly readable guide with writing tips that tackles these issues head on and teaches you exactly what to say and what to write william brohaugh former editor of writer s digest goes beyond the discussion on redundancy and overwriting to take on evasiveness affectations roundabout writing tangents and invisible words other topics include outlining the four levels of wordiness identifying 16 types of flabby writing exercises that help writers avoid wordiness streamlining through sidebars and checklists tests that show how concise a writer s prose is a must have guide for those doing business writing blog writing technical writing academic writing creative writing science writing nonfiction writing economical writing or any kind of persuasive writing foreword by lawrence block internationally renowned best selling author praise for write tight write tight is a supremely valuable must have for aspiring writers in all fields from prose to nonfiction journalistic copy screenwriting and so much more midwest book review these days most creative writing courses teach self indulgence write tight counsels discipline it is worth more than a university education its advice is gold dean koontz

Imagining Extinction 2016-08-10

as the extinction of species accelerates and more species become endangered activists filmmakers writers and artists have responded to bring this global crisis to the attention of the public until now there has been no study of the frameworks that shape these narratives and images or of the symbolic meanings that the death of species carries in different cultural communities ursula heise makes the case that understanding how and why endangered species come to matter culturally is indispensable for any effective advocacy on their behalf heise begins by showing that the tools of conservation science and law need to be viewed as cultural artifacts biodiversity databases and laws for the protection of threatened species use rhetorical and cultural resources that open up different approaches to the problem of understanding global wildlife the second half of her book explores ways of envisioning alternative futures for biodiversity the narrative of nature s decline or even imminent disappearance has been a successful rallying trope for those skeptical of modernization and ideologies of progress but environmentalists nostalgia for the past and pessimistic outlook on the future have also alienated parts of the public heise tells the story of environmental activists writers and scientists who are creating new stories to guide the environmental imagination

Kashmir in Conflict 2020

why has the valley of kashmir famed for its beauty and tranquillity become a major flashpoint threatening the stability of a region of great strategic importance and challenging the integrity of the indian state this book examines the kashmir conflict in its historical context from the period when the valley was an independent kingdom right up to the struggles of the present day located on the borders of china central asia and the sub continent the insurgency in the valley has also created serious tensions between india and pakistan drawing upon research in india and pakistan as well as historical sources this book traces the origins of the state in the 19th century and the controversial sale by the british of the predominantly muslim valley to a hindu maharaja in 1846 through an exploration of the implications for kashmir of independence in 1947 it gives a critical account of why for kashmir self determination may seem a more attractive option than affiliation to a larger multi racial whole

The Weekend Novelist 2011-08-24

who doesn't dream of writing a novel while holding on to a day job robert j ray and coauthor bret norris can help readers do just that with this proven practical and accessible step by step guide to completing a novel in just a year's worth of weekends the weekend novelist shows writers of all levels how to divide their writing time into weekend work sessions and how to handle character scene and plot this new revised version is far more skills based than its predecessor and includes both classic and contemporary literature models contains a sample novel in progress and at the end offers readers the choice to rewrite their novel draft a memoir or turn their rough draft into a screenplay readers for a decade have been instructed and inspired by the weekend novelist this new edition will help many more strive to realize their writing potential offers a practical structured approach to finishing a novel ray has taught more than 10 000 students over 25 years and continues to teach new classes that attract new readers to his books

The Metamorphosis 2020-01-14

new translation of the metamorphosis by franz kafka poor gregor samsa this guy wakes up one morning to discover that he's become a monstrous vermin the first pages of the metamorphosis where gregor tries to communicate through the bedroom door with his family who think he's merely being lazy is vintage screwball comedy indeed scholars and readers alike have delighted in kafka's gallows humor and matter of fact handling of the absurd and the terrifying but it is one of the most enigmatic stories of all time with an opening sentence that's unparalleled in all of literature

Ngugi Wa Thiong'o 2000-05-11

kenyan dramatist and novelist ngugi wa thiong'o is a hugely influential african writer respected not only for his creative work but also for his criticism of wider cultural issues issues such as nation and narration power and performance language and identity empire and postcoloniality simon gikandi's study first published in 2000 offers a comprehensive analysis of all ngugi's published work and explores the development of the major novels and plays against a background of colonialism and decolonisation in kenya gikandi places the works in a context that examines the way they engage with the changing history of africa tracing ngugi's career from the 1960s through to his role in shaping a radical culture in east africa in the 1970s and his imprisonment and exile in the 1980s this book provides fresh insight into the author's life and the historic events that produced his work

The Road 2019-03-07

the post apocalyptic modern classic with an introduction by novelist john banville in a burned out america a father and his young son walk under a darkened sky heading slowly for the coast they have no idea what if anything awaits them there the landscape is destroyed nothing moves save the ash on the wind and cruel lawless men stalk the roadside lying in wait attempting to survive in this brave new world the young boy and his protector have nothing but a pistol to defend themselves they must keep walking winner of the pulitzer prize for fiction the road is an incandescent novel the story of a remarkable and profoundly moving journey in this unflinching study of the best and worst of humankind cormac mccarthy boldly divines a future without hope but one in which miraculously this young family finds tenderness an exemplar of post apocalyptic writing the road is a true modern classic a masterful moving and increasingly prescient novel this edition is part of the picador collection a series of the best in contemporary literature inaugurated in picador's 50th anniversary year

Publication Manual of the American Psychological Association 2019-10
