## **Ecumenics from the Rim**

2007

John D'Arcy May's achievements motivate these essays on ecumenics amid today's scepticism about the ecumenical movement's relevance. The authors demonstrate the necessity of working together for the betterment of all. This book deepens our understanding of how theology, peace and reconciliation studies and interfaith dialogue critically cooperate for the flourishing of earth's life. The perspective of church unity amid ecclesial division is broadened to embrace interfaith and intercultural issues. Ecumenics becomes visible as the intellectual paradigm of our times.

## ***Creoles in Education***

2010-05-17

This volume offers a first survey of projects from around the world that seek to implement creole languages in education. In contrast to previous works, this volume takes a holistic approach. Chapters discuss the sociolinguistic, educational and ideological context of projects, policy developments and project implementation, development and evaluation. It compares different kinds of educational activities focusing on creoles and discusses a list of procedures that are necessary for successfully developing, evaluating and reforming educational activities that aim to integrate creole languages in a viable and sustainable manner into formal education. The chapters are written by practitioners and academics involved in educational projects. They serve as a resource for practitioners, academics and persons wishing to devise or adapt educational initiatives. It is suitable for use in upper-level undergraduate and postgraduate modules dealing with language and education with a focus on lesser-used languages.
