tough test questions missed lectures not enough time  
fortunately there s schaum s this all in one package includes  
more than 1 100 fully solved problems examples and practice  
exercises to sharpen your problem solving skills plus you  
will have access to 30 detailed videos featuring math  
instructors who explain how to solve the most commonly tested  
problems it s just like having your own virtual tutor you ll  
find everything you need to build confidence skills and  
knowledge for the highest score possible more than 40 million  
students have trusted schaum s to help them succeed in the  
classroom and on exams schaum s is the key to faster learning  
and higher grades in every subject each outline presents all  
the essential course information in an easy to follow topic  
by topic format you also get hundreds of examples solved  
problems and practice exercises to test your skills this  
schaum s outline gives you 1 105 fully solved problems  
concise explanations of all calculus concepts expert tips on  
using the graphing calculator fully compatible with your  
classroom text schaum s highlights all the important facts  
you need to know use schaum s to shorten your study time and
