Frederick Crown Prince and Emperor 1888 wilhelm ii volume 1 prince and emperor 1859 1900

Wilhelm II: Prince and emperor, 1859-1900 1989 frederick iii second german emperor reigned for only three months from march to june 1888 having been crown prince for twenty seven years he was stricken with cancer of the larynx and by the time he succeeded his elderly father on the throne he was unable to speak above a whisper married to victoria princess royal of great britain he was the hope of liberals throughout germany and europe had he ruled for longer in good health the war of 1914 18 would almost certainly have been avoided rodd s brief biographical essay first published in november 1888 was the first life of him to appear this new edition contains the original text with a foreword by royal biographer john van der kiste which includes the background to the writing of the book and a note on the life of the author and additional illustrations

Frederick, Crown Prince and Emperor 2020-05-26 excerpt from frederick crown prince and emperor a biographical sketch dedicated to his memory dear mr rodd i think you are aware that my beloved husband the late emperor frederick when in england last year visited the throat hospital and was full of compassion for the patients his ailment caused at that time but little inconvenience and his kind heart felt deeply sorry for those who had more to bear from the state of their throats about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Frederick Crown Prince and Emperor 2015-07-07 both an official chronicle and the highly personal memoir of the emperor babur 1483 1530 the baburnama presents a vivid and extraordinarily detailed picture of life in afghanistan pakistan and india during the late fifteenth and early sixteenth centuries babur s honest and intimate chronicle is the first autobiography in islamic literature written at a time when there was no historical precedent for a personal narrative now in a sparkling new translation by islamic scholar wheeler thackston this modern library paperback classics edition includes notes indices maps and illustrations from the trade paperback edition

Frederick Crown Prince and Emperor 2017-08-20 book one in the broken empire trilogy prince of thorns deserves attention as the work of an iconoclast who seems determined to turn that familiar thing medievaesque fantasy trilogy entirely on its head locus when he was nine he watched as his mother and brother were killed before him by the time he was thirteen he was the leader of a band of bloodthirsty thugs by fifteen he intends to be king it s time for prince honourous jorg ancrath to return to the castle he turned his back on to take what s rightfully his since the day he hung pinned on the thorns of a briar patch and watched count renar s men slaughter his mother and young brother jorg has been driven to vent his rage life and death are no more than a game to him and he has nothing left to lose but treachery awaits him in his father s castle treachery and dark magic no matter how fierce his will can one young man conquer enemies with power beyond his imagining

The Second Empire and Its Downfall 1970 in a time of terror for europe s monarchs imprisoned exiled executed napoleon s army marched toward lisbon cornered prince regent joão had to make the most fraught decision of his life protected by the british navy he fled to brazil with his entire family including his deranged mother most of the nobility and the entire state apparatus until then no european monarch had ever set foot in the americas thousands made the voyage but it was no luxury cruise it took two months in cramped decrepit ships lice infested some of the vessels and noble women had to shave their hair and grease their bald heads with antiseptic sulfur vermin infested the food and bacteria contaminated the drinking water sickness ran rampant after landing in brazil prince joão liberated the colony from a trade monopoly with portugal as explorers mapped the burgeoning nation s distant regions the prince authorized the construction of roads the founding of schools and the creation of factories raising brazil to kingdom status in 1815 meanwhile portugal was suffering the effects of abandonment war and famine never had the country lost so many people in so little time finally after napoleon s fall and over a decade of misery the portuguese demanded the return of their king joão sailed back in tears in 1821 and the last chapter of colonial brazil drew to a close setting the stage for the strong independent nation that we know today changing the new world forever

The Baburnama 2007-12-18 the record of the author s four years at the imperial court where she helped to teach and guide the young prince from a chubby child to a poised attractive youth with a high sense of responsibility

The Second Empire: Bonapartism; the Prince, the President, the Emperor 1932 the fourth italian campaign

Prince of Thorns 2011-08-02 the world is cracked and time has run through leaving us clutching at the end days these are the days that have waited for us all our lives these are my days i will stand before the hundred and they will listen i will take the throne no matter who stands against me living or dead and if i must be the last emperor then i will make of it such an ending this is where the wise man turns away this is where the holy kneel and call on god these are the last miles my brothers don t look to me to save you run if you have the wit pray if you have the soul stand your ground if courage is yours but don t follow me follow me and i will break your heart

1808: The Flight of the Emperor 2013-08-29 both an official chronicle and a highly personal memoir the baburnama presents a vivid and extraordinarily detailed picture of life in central asia and india during the late fifteenth and early sixteenth centuries it is also the text most often quoted by historians and scholars of mughal india the prose of zahiruddin muhammad babur the first mughal emperor is described by its new translator wheeler thackston as frank intimate truthful and unbiased it is all the more astonishing therefore that the baburnama is also the first real autobiography in islamic literature babur had no historical precedent for his narrative yet even today it is a remarkably engrossing volume to read

the interests that babur expressed so eloquently in the memoirs his profound curiosity about the natural world and human personalities for example defined also the directions that artists were to take dr thackston s translation provides many new insights into a particularly stimulating period in the world s history

Windows for the Crown Prince 1952 drawing on a wide range of contemporary sources this biography examines the complex personality of germany s last emperor born in 1859 the eldest grandchild of queen victoria prince wilhelm was torn between two cultures that of the prussian junker and that of the english liberal gentleman

Memoirs of Prince Metternich 1882 once crossed she possessed the body of an ugly weak looking and bullied woman who was beaten to death by the emperor she was even bestowed with the title of the unfavoured seventh marquis by the emperor isn t it just a face full of pimples fortunately i am skilled mistress direct descendant sister colluding with the empress each move fatal fortunately i have many wise and intelligent ideas so i don t need to thank you for paying me back seventh prince was in a difficult situation see how i can glib my tongue and turn that cold face into a insole

Memoirs of Prince Metternich 1881 bakker clamps his hand over yours and simply does not let go amid the cluttered shelves of the epic fantasy genre bakker is a name that stands out among not just the new writers in the crowd but established and recognized names sffworld the entire series is going to set a new standard for fantasy writers everywhere the alien online all opposition to the man once derided as the prince of nothing has vanished or been vanquished their leaders slain the heathen fanim have fled in disarray one final march will bring the holy war to the fabled city of shimeh but so very much has changed anasurimbor kellhus the warrior prophet now leads the men of the tusk the cuckolded sorcerer achamian serves as his tutor betraying his school to keep safe the man he believes can prevent the second apocalypse the scylvendi barbarian cnaiur succumbs finally to madness the consult sensing the endgame of millennia of planning work frantically to prepare for the coming of the no god the final reckoning is at hand faceless assassins will strike in the dead of night kings and emperors will fall the sorcerous schools will be unleashed and anasurimbor kellhus will at last confront his father and the dread revelation of the thousandfold thought the epic conclusion to the acclaimed prince of nothing trilogy books by r scott baker prince of nothing trilogy the darkness that comes before the warrior prophet the thousandfold thought aspect emperor the judging eye the white luck warrior the great ordeal the unholy consult novels neuropath disciple of the dog light time and gravity

Emperor of Thorns 2014-05-01 the most interesting political character of the ending 19th century was undoubtedly the young man who filled the throne of the german empire americans are so used to seeing young men filling important positions and administering great trusts that the mere question of age seems less important than it might be to members of other nationalities but a man in his thirty third year was unquestionably young to fill one of the highest yet almost irresponsible positions in the world his opinions and actions were of vital significance to not merely his own subjects but to the general interests of mankind especially when it is remembered that he was the commander in chief of the most powerful of european armies in discipline and organisation if not in mere numbers and that his will and order could have set the world on fire hitherto he has moreover shown himself to be a man of no mean ability very different from the non entities that usually fill thrones and his vast political power was enhanced by intellectual capacity of no mean order backed by an imperious will he seemed in fact on one side of his character at least to be an ideal ruler the present work is intended to give its readers a rapid view of the young emperor s character and public action with so much of history and political review as may be needed to a full sketch of a personage of such weight and value and of the conditions in which he himself and his great empire were placed

Memoirs of Prince Metternich: 1815-1829 1881 from kwame mbalia and prince joel david makonnen comes an afrofuturist adventure about a mythical ethiopian empire sci fi and fantasy combine in this epic journey to the stars yared has traveled a long way to find his place in the universe light years even though the battle of addis prime is over the spacefaring axum empire is still fractured the kingdom once gave their technology away free of charge to better

humankind now having been missing for over a decade they re returning to the planet where their galaxy spanning civilization began earth but they find the planet in disarray old earth s atmosphere is a mess of junked shuttles and satellites this is especially true of debris town an orbital flotilla where poor spacefarers left to rot by the intergalactic union that rose up in axum s place have taken to piracy to survive yared is set to speak at the opening of the royal trials a competition of the best exo pilots in the sol system but on the day of his speech the pirates launch an attack the siege sets off a chain of events that will lead yared into the depths of old earth and the jaws of a cruel betrayal there s more to the pirates and debris town than anyone saw coming

Memoirs, 1773-1815 1880 a curse is laid on the crown of the mighty byzantium empire which has stood for almost a thousand years those who wear it and rule the kingdom will die yet the crown is no small prize it holds the key to the wealth power and prestige of the nation and the great city of constantinople prince alexius aspires to the throne he is the son of emperor isaac angelos ii and when isaac is deposed by alexius uncle and blinded the prince must decide to fight for the crown or flee he does both aided at every step by his faithful friend and tutor basil christopher xavier told from basil s viewpoint the prince encounters dangers at every turn as he tries to flee from his uncle s clutches and find help for himself and his imprisoned father basil meets a girl in one of the taverns near the waterfront a girl he can t get from his mind for her beauty and her personality when she disappears basil must find her free her and take her to safety he promised his help as well to the prince and so is caught between two impossible tasks as the last days of the beautiful city of constantinople tick away basil is there providing help to the boy he taught who is now emperor but events spin out of control basil seeks to free the girl he loves and finds himself enmeshed in a web of terror deceit and murder he puts his trust in jesus christ and prays seeking the help of a troupe of jesters with his friends his faith and his courage he tackles a task that seems insurmountable this is a tale of warfare heroic deeds despicable characters love and enduring faith you won t put it down until the very last word come along on this fantastic journey find the joy embrace the love break the curse

The Baburnama 1996 this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public to ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

How a Prince Became Emperor; The Accession of Hsüan-tsung 713-755 1959 excerpt from an account of the visit of his royal highness the prince regent with their imperial and royal majesties the emperor of all the russia and the king of prussia to the corporation of london in june 1814 the right honourable the lord mayor laid before this court a report in writing from the com mittee appointed to conduct and manage the entertain ment given in the guildhall to his royal highness the prince regent and his illustrious visitors his imperial majesty the emperor of all the russia and his majesty the king of prussia which was read and ordered to be printed under the directions of the right honourable the lord mayor and a copy to be sent to every member of this court about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Kaiser Wilhelm II 1999-07-22 prince henry of prussia was the second son of crown prince frederick william later emperor frederick iii and the crown princess later empress frederick as a youth he joined the imperial german navy and travelled widely throughout asia and the americas an easygoing character renowned for his interest in motoring and aviation as well as nautical matters he was much more popular with his royal and imperial cousins throughout europe than his elder brother emperor william ii yet his love of england and reluctance to contemplate the possibility of hostilities between germany and england is thought to have led to his convincing the emperor that the english would remain neutral as the likelihood of war became increasingly inevitable in 1914 this is the first biography in english of an often overlooked prince [Two Lives' Love: Prince Loves Excessively](#) 2020-09-12 she was the proudest assassinator of the twenty first century while she was killed by her senior brother unintentionally and run across the time to the jiu you continent the first thing she did upon opening eyes was climbing out of the pit because of her cowardice cunning and foolishness she had been bullied when she was little falling into the pit this time was because the emperor granted her to marry prince xiang which aroused the hostility from her fourth sister however at this moment an aloof and arrogant man looked at her with disdain unexpectedly not long after this aloof man said once we have our own child i will take up the world for you about the author er ye is an online novelist he started writing from 2017 currently there are two novels of his the cold prince dotes on his wild wife and one inch affection with one inch ash

The Second Empire 2015-02-19 over twenty two centuries ago ashoka maurya lord of a vast indian empire won a crushing victory in war filled with remorse he embraced compassion and tried to build a buddhist utopia throughout india and beyond the book of ashoka is intended as a source book reader and introduction to this unique historical figure simon webb s introductions to the various sections tell the story of the re discovery of ashoka by nineteenth century european colonisers and explore the lasting significance of ashoka for modern indians published by the langley press
