US Government and Politics. Politics Study Guides Series

2007

focusing on the latest developments this book explores whether the us political system lives up to its promise to provide freedom and equality of opportunity for all starting with the constitutional convention which drew up the framework of the political system

the book examines mechanisms designed to prevent the oppressive use of power before analyzing the ways that the elected branches of government use power in modern america readers are provided with thought provoking material on which to base their own conclusions on the extent to which us institutions and political practices succeed in living up to the founding fathers lofty ideals each chapter examines how the system currently works and how it has developed and makes comparisons with the british system of government to present a readable accessible but academically stimulating introduction to the government and politics of the usa
