Faith in the Great Physician 2007-11-30

this history of evangelical faith healing in nineteenth century america examines the nation s shifting attitudes about sickness suffering and health faith in the great physician tells the story of how participants in the divine healing movement transformed the ways americans coped with physical affliction and pursued bodily wellbeing heather d curtis offers critical reflection on the theological cultural and social forces that come into play when one questions the purpose of suffering and the possibility of healing belief in divine healing ran counter to a deep seated christian ethic that linked physical suffering with spiritual holiness by engaging in devotional disciplines and participating in social reform efforts proponents of faith cure embraced a model of spiritual experience that endorsed active service rather than passive endurance as the proper christian response to illness and pain emphasizing the centrality of religious practices to the enterprise of divine healing curtis sheds light on the relationship among christian faith medical science and the changing meanings of suffering and healing in american culture recipient of the frank s and elizabeth d brewer prize of the american society of church history for 2007

the first historical study to offer an in depth exploration of the complex relationship between the prison and mental breakdown

Newsprint Literature and Local Literary Creativity in West Africa, 1900s - 1960s 2023-10-17

groundbreaking examination of literary production in west african newspapers and local printing presses in the first half of the 20th century which adds an african perspective to transatlantic black studies and shows how african newsprint creativity has shaped readers ways of imagining subjectivity and society under colonialism from their inception in the 1880s african owned newspapers in british west africa carried an abundance of creative writing by local authors largely in english yet to date this rich and vast array of work has largely been ignored in critical discussion of african literature and cultural history this book for the first time explores this under studied archive of ephemeral writing from serialised fiction to poetry and short stories philosophical essays articles on local history travelogues and reviews and letters and argues for its inclusion in literary genres and anglophone world literatures combining in depth case studies of creative writing in the ghana and nigeria press with a major reappraisal of the nigerian pamphlets known as onitsha market literature and focusing on non elite authors the author examines hitherto neglected genres styles languages and crucially readerships she shows how local print cultures permeated african literary production charting changes in literary tastes and transformations to genres and styles as they absorbed elements of globally circulating english texts into formats for local consumption offering fresh trajectories for thinking about local and transnational african literary networks while remaining attuned to local textual cultures in contexts of colonial power relations anticolonial nationalism the cold war and global circuits of cultural exchange this important book reveals new insights into ephemeral literature as significant sites of literary production and contributes to filling a gap in scholarship on colonial west africa

The Plain Man and His Wife (Dodo Press) 2007-07

enoch arnold bennett 1867 1931 was a british novelist he was born in a modest house in hanley in the potteries district of staffordshire at age 21 he went to london as a solicitor s clerk he won a literary competition in tit bits magazine in 1889 and was encouraged to take up journalism full time from 1900 he devoted himself full time to writing giving up the editorship and writing much serious criticism and also theatre journalism one of his special interests in 1902 anna of the five towns the first of a succession of stories which detailed life in the potteries appeared in 1908 the old wives tale was published and was an immediate success throughout the english speaking world his most famous works are the clayhanger 1910 trilogy and the old wives tale these books draw on his experience of life in the potteries as did most of his best work among his other books are the grand babylon hotel 1902 the grim smile of the five towns 1907 hilda lessways 1911 the author s craft 1914 the lion s share 1916 and the roll call 1919

Grain Markets in Europe, 1500–1900 1999-12-09

in this 1999 book karl gunnar persson surveys a broad sweep of economic history examining one of the most crucial markets grain his analysis allows him to draw more general lessons for example that liberalization of markets was linked to political authoritarianism grain markets in europe traces the markets early regulation their poor performance and the frequent market failures price volatility caused by harvest shocks was of major concern for central and local government because of the unrest it caused regulation became obsolete when markets became more integrated and performed better through trade triggered by falling transport costs persson a specialist in economic history uses insights from development economics explores contemporary economic thought on the advantages of free trade and measures the extent of market integration using the latest econometric methods grain markets in europe will be of value to scholars and students in economic history social history and agricultural and institutional economics

A Modern Utopia 1967-01-01

wells s uncanny ability to highlight the problems which are now most acute and supply tentative solutions that allow a maximum of individual freedom merits serious consideration recommended reading for students and teachers dealing with government science and the contemporary dilemma of a world facing war famine and racial unrest choice a modern utopia is one of the first important blueprints for the modern welfare state and an early major statement of wells s idea of the world state an idea that is perhaps his greatest contribution to the intellectual history of this century in this quintessential utopia as lewis mumford calls it wells sums up and clarifies the utopias of the past and brings them into contact with the world of the present the bison books edition with an introduction by mark r hillegas associate professor of english at southern illinois university brings back into print a work that has stimulated three generations of thinkers this is not flight into fancy no voyage into whimsy it is a sober attempt to imagine

what kind of society men would create if they really used their heads and worked at it the result is one of the most plausible utopias ever written chad walsh from utopia to nightmare it is a beautiful utopia beautifully seen and beautifully thought and it has in it some of that flavor of airy unrestraint one finds in news from nowhere van wyck brooks the world of h g wells

A Woman of No Importance 2018-01-09

the classic satirical play about england s upper class from a master dramatist centering on a long concealed secret a woman of no importance like many of oscar wilde s plays satirizes england s upper class a house party is in full swing at lady hunstanton s country home when it is announced that gerald arbutnot has been appointed secretary to the sophisticated witty lord illingworth only gerald s mother stands in the way of his appointment but she fears telling him why for who will believe lord illingworth to be a man of no importance a classic takedown of the british upper class a woman of no importance remains just as relevant today as when it first graced the stages of london this ebook has been professionally proofread to ensure accuracy and readability on all devices

No Right to Be Idle 2017-02-13

during the late nineteenth and early twentieth centuries americans with all sorts of disabilities came to be labeled as unproductive citizens before that disabled people had contributed as they were able in homes on farms and in the wage labor market reflecting the fact that americans had long viewed productivity as a spectrum that varied by age gender and ability but as sarah f rose explains in no right to be idle a perfect storm of public policies shifting family structures and economic changes effectively barred workers with disabilities from mainstream workplaces and simultaneously cast disabled people as morally questionable dependents in need of permanent rehabilitation to achieve self care and self support by tracing the experiences of policymakers employers reformers and disabled people caught up in this epochal transition rose masterfully integrates disability history and labor history she shows how people with disabilities lost access to paid work and the status of worker a shift that relegated them and their families to poverty and second class economic and social citizenship this has vast consequences for debates about disability work poverty and welfare in the century to come

A Woman of No Importance 2007-07-26

oscar wilde s audacious drama of social scandal centres around the revelation of mrs arbutnot s long concealed secret a house party is in full swing at lady hunstanton s country home when it is announced that gerald arbutnot has been appointed secretary to the sophisticated witty lord illingworth gerald s mother stands in the way of his appointment but fears to tell him why for who will believe lord illingworth to be a man of no importance

History of Banking in South Carolina from 1712 To 1900 2013-09

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1903 edition excerpt his trial as a spy and finally having received a fair hearing he was set free with the one only condition that he would not go beyond the lines of the confederacy

meanwhile a suit was entered upon in charleston to sequester mr hand s interest in the firm of george w williams co the best counsel was employed by mr williams for the defence and after a sharp contest which lasted several days the case was decided in mr hand s favor thus saving his property from confiscation as south carolina at that time did not afford a congenial atmosphere for a man of union sentiments it was thought best for mr hand to go to the mountains of western north carolina to await the movement of events mr williams divided with him what gold he had and mr hand gave over to mr williams all his personal property as well as his real estate to be held managed and considered as if it were his own the seior partner then went to asheville and lived there in seclusion till the end of the war with this retirement of mr hand to the mountains the whole responsibility for the business passed to mr williams and this for that long war period of trying exigencies during the early stages of the war northern and western houses sent to the firm large quantities of goods with full knowledge that the laws of the confederacy were against collecting such debts they relied entirely upon the honor of the firm two cargoes of coffee were imported from south america by the firm one of which succeeded in runniug the blockade though chased by federal gunboats to the gates of the city mr williams drew one check on the bunk of liverpool for fifty thousand dollars in gold to buy clothing for the soldiers of the south and was paid in

Higher Engineering Mathematics 2014

a practical introduction to the core mathematics principles required at higher engineering level john bird s approach to mathematics based on numerous worked examples and interactive problems is ideal for vocational students that require an advanced textbook theory is kept to a minimum with the emphasis firmly placed on problem solving skills making this a thoroughly practical introduction to the advanced mathematics engineering that students need to master the extensive and thorough topic coverage makes this an ideal text for upper level vocational courses now in its seventh edition engineering mathematics has helped thousands of students to succeed in their exams the new edition includes a section at the start of each chapter to explain why the content is important and how it relates to real life it is also supported by a fully updated companion website with resources for both students and lecturers it has full solutions to all 1900 further questions contained in the 269 practice exercises
