trieste publishing has a massive catalogue of classic book titles our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time the many thousands of books in our collection have been sourced from libraries and private

collections around the world the titles that trieste publishing has chosen to be part of the collection have been scanned to simulate the original our readers see the books the same way that their first readers did decades or a hundred or more years ago books from that period are often spoiled by imperfections that did not exist in the original imperfections could be in the form of blurred text photographs or missing pages it is highly unlikely that this would occur with one of our books our extensive quality control ensures that the readers of trieste publishing s books will be delighted with their purchase our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality this process ensures that the reader of one of trieste publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work we pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers generally trieste books are purchased singly on demand however they may also be purchased in bulk readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

## **Bravo, Mr. William Shakespeare!**

2009

the collection includes some of shakespeare s greatest plays including the winter s tale king lear romeo and juliet hamlet and othello and introduces some of his best known characters

## **Mr William Shakespeare His Comedies, Histories, and Tragedies,**

1768

excerpt from mr william shakespeare original and early editions of his quartos and folios his source books and those containing contemporary notices the exhibition of which this is the catalogue was made possible by the generosity of a number of collectors of new york and other places in the united states their cooperation has resulted in this remarkable collection of shake speareana the british museum owns the best single collection of the kind but it has not all of the books presented here nor can it bring together for a loan exhibition such a collection as this the reason is that nearly all the important collections of shakespeare s works in england are in public institutions and cannot be lent to form one exhibition the introduction to the census of shakespeare s plays in quarto mentions the difference in ownership and location of shakespeare s works in england and in america in england shakespeare s works are chiefly in public collections where they may be examined by the student but may not be withdrawn for exhibition or study elsewhere in america they are chiefly in the libraries of private collectors whose generosity affords opportunities for the public like the present one unfortunately there are in america but three public collections which contain

shakespeare s works of sufficient value to form the basis of an exhibition these are in the boston public library which contains the barton collection in the elizabethan club of yale university with its famous huth quartos and in the new york public library with its lenox collection the lenox collection is the basis of this exhibition about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

## ***Mr William Shakespeare's Plays***

2000

many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork
