Legacy of Steel

2021-02-28

i remember when i thought my life would be like the fairy tales i read about i d do anything to go back in time when everything was so simple when my knight in shining armor had a face and a name when my biggest secret was that i snuck out at night to watch the stars i m worried that there s a sickness in me swallowing me whole i don t understand what s happening to me i don t understand why the only person i can find solace in is someone i can t see i should want justice but i don t i want revenge i need vengeance like i need the air i breathe no one can feel my pain no one can see just how badly i ve been burned i ve danced in the flames my whole life i know how to live in the fire but i ve never come out unscathed a piece of me always turns to ash and there is no going back i can never be that little girl again i m no princess i m the villain i ve been consumed by the flames and i want everything in my path to burn

Paladin's Strength

2017-06-13

for fans of patricia cornwell tess Gerritsen lisa gardner and karin slaughter reilly steel is a likeable character smart but not omnipotent entirely capable but vulnerable too irish times prepare to be chilled to the bone by this terrifying transatlantic forensic thriller debut from a formidable new talent if you like patricia cornwell or kathy reichts you ll love this love reading it is definitely not for the faint hearted and will keep you guessing the whole way through gloss read the clues decode the science reveal the murderer that s reilly steel s mantra find the answers solve the crime but the quantico trained forensic investigator is finding her skills aren t enough when a ferociously intelligent killer strikes dublin the modus operandi is as perplexing as it is macabre what connects two seemingly disparate high profile victims their corpses refuse to give up their secrets and the crime scenes prove a forensic investigator s worst nightmare reilly soon suspects that she may be dealing with a killer or killers who know all about crime scene investigation it s only when a third murder occurs equally graphic and elaborate in its execution that they discover that this particular killer is using a very specific blueprint for his crimes who is the killer s next victim the real target and what s his endgame
