Mullins: Organisational Behaviour in the Workplace 1996

deviant behavior offers an engaging and wide ranging discussion of deviant behavior beliefs and conditions it examines how the society defines labels and reacts to whatever and whoever falls under this stigmatizing process thereby providing a distinctly sociological approach to the phenomenon the central focus in defining what and who is deviant is the audience members of the influential social collectivities that determine the outcome of this process the discussion in this volume encompasses both the explanatory or positivist approach and the constructionist or labeling perspectives thereby lending a broad and inclusive vista on deviance the central chapters in the book explore specific instances or forms of deviance including crime substance abuse and mental disorder all of which share the

quality that they and their actors believers or bearers may be judged by these influential parties in a negative or derogatory fashion and throughout deviant behavior the author emphasizes that to the sociologist the term deviant is completely non pejorative no implication of inferiority or inherent stigma is implied what the author emphasizes is that specific members of the society social circles or collectivities define and treat certain parties in a derogatory fashion the sociologist does not share in this stigmatizing process but observes and describes it

Behavior Modification *2020-05*

understanding human behavior and the social environment 11th edition looks at the lifespan through the lens of social work theory and practice covering human development and behavior theories within the context of individual family group organizational and community systems using a chronological lifespan approach the book presents separate chapters on biological psychological and social impacts at the different lifespan stages with an emphasis on strengths and empowerment part of the brooks cole empowerment series this edition is up to date and thoroughly integrates the core competencies and recommended behaviors outlined in the current educational policy and accreditation standards epas set by the council on social work education cswe important notice media content referenced within the product description or the product text may not be available in the ebook version
