english for academic study grammar for writing english for academic study grammar for writing is a graded self study course that will help students improve their academic writing it will build their confidence in understanding and using grammar for written assignments so they can write accurate english and communicate more effectively in academic contexts eas grammar for writing

starts at a relatively low level recognizing that many students require continuing practice of common grammatical problems in academic writing such as subject verb agreement or the use of present simple and present continuous it gradually increases the level of challenge so that by the end of the book students can use appropriate grammatical structures to express more complex academic ideas the nine units are based on the following topics starting out information flow within a text looking back past simple and present perfect showing logical links 1 showing logical links 2 expressing shades of meaning expressing condition avoiding person based writing using relative clauses each unit is divided into three stages moving from basic structures to more complex ones full explanations and examples are followed by extensive practice exercises many exercises use examples from student essays so students can identify typical problems and work out how to put them right each unit also includes an end of unit self check test to give students a quick overview of what they have covered there are four useful appendices on articles describing data referring to academic sources and a sample student essay a full answer key is available here the dedicated eas website also provides additional resources across the range of titles in the series this book can be used in conjunction with the following books in the english for academic studies eas series also published by garnet education eas reading eas writing eas extended writing research skills eas listening eas speaking eas vocabulary and eas pronunciation

this mixed methods research explored the impact of an early alert system eas implemented in flexible asynchronous online program offerings at a two year technical college there is limited research of an eas within fully flexible asynchronous online programs within two year institutions with the skilled workforce shortages higher education institutions are using online courses as a method to increase enrollments with the hope of combating achievement and equity gaps this study measured successful course completion for 608 students in online courses the eas starfish recorded 1 871 flags and 1 428 kudos for the fall 2018 semester the student perspective was obtained and compared with the quantitative data triangulation of the different data sources and notifications of the

eas were used to determine that students not successfully passing classes received a mean difference of 5.3 more flags than kudos. The constructivist learning theory is used as the theoretical framework underpinning this study. Recommendations include factors related to the student, instructor, and institution. The first recommendation is that students would benefit from an assessment of academic and technological readiness to ensure cognitive ability. The second recommendation supports that instructors would benefit from formalized training related to teaching online. Additionally, instructors should be granted more access to holistically view the eas activity of a student in all classes. The final recommendation is that course infrastructure and pedagogical framework adopt online course quality measures to ensure a student-centered approach.

English for Academic Study: Extended Writing and Research Skills. This fully updated 2012 edition of English for Academic Study: Extended Writing and Research Skills will help develop the practical skills your students need to tackle extended essays and projects and encourage the development of an independent approach to studying. The units are organized as follows: Introduction to Extended Writing and Research; Using Evidence to Support Your Ideas; Sourcing Information for Your Project; Developing Your Project; Developing a Focus; Introductions, Conclusions, and Definitions; Incorporating Data and Illustrations; Preparing for Conference Presentations. The units take students step by step through the process of producing an extended piece of academic writing. Authentic source materials, model answers, and detailed advice are included to help support and guide them. This course will require them to apply skills and strategies they have already studied in order to help them complete a project independently. The course book includes unit summaries to give students a quick overview of what they have covered and a comprehensive glossary of terms. Each unit also has weblinks offering additional information and activities relating to both listening skills and the topics covered in the units. Visit the dedicated English for Academic Study website at englishforacademicstudy.com for even more resources. wuthering heights is the name of mr heathcliff's dwelling 'wuthering' being a significant provincial adjective descriptive of the atmospheric tumult to which its station is exposed in stormy weather pure bracing ventilation they must have up there at all times indeed one may guess the power of the north wind blowing over the edge by the excessive slant of a few stunted firs at the end of the house and by a range of gaunt thorns all stretching their limbs one way as if craving alms of the sun happily the architect had foresight to build it strong the narrow windows are deeply set in the wall and the corners defended with large jutting stones before

passing the threshold i paused to admire a quantity of grotesque carving lavished over the front and especially about the principal door above which among a wilderness of crumbling griffins and shameless little boys i detected the date Ô1500 Õ and the name Ôhareton earnshaw Õ i would have made a few comments and requested a short history of the place from the surly owner but his attitude at the door appeared to demand my speedy entrance or complete departure and i had no desire to aggravate his impatience previous to inspecting the penetralium one stop brought us into the family sitting room without any introductory lobby or passage they call it here Ôthe houseÕ pre eminently it includes kitchen and parlour generally but i believe at wuthering heights the kitchen is forced to retreat altogether into another quarter at least i distinguished a chatter of tongues and a clatter of culinary utensils deep within and i observed no signs of roasting boiling or baking about the huge fireplace nor any glitter of copper saucepans and tin cullenders on the walls one end indeed reflected splendidly both light and heat from ranks of immense pewter dishes interspersed with silver jugs and tankards towering row after row on a vast oak dresser to the very roof the latter had never been under drawn its entire anatomy lay bare to an inquiring eye except where a frame of wood laden with oatcakes and clusters of legs of beef mutton and ham concealed it above the chimney were sundry villainous old guns and a couple of horse pistols and by way of ornament three gaudily painted canisters disposed along its ledge the floor was of smooth white stone the chairs high backed primitive structures painted green one or two heavy black ones lurking in the shade in an arch under the dresser reposed a huge liver coloured bitch pointer surrounded by a swarm of squealing puppies and other dogs haunted other recesses
