the phenomenon of celebrity burst upon the world scene about a century ago as movies and modern media brought exceptional larger than life personalities before the masses during the same era modernist authors were creating works that defined high culture in our society and set aesthetics apart from the middle and low brow culture in which celebrity supposedly resides to challenge this ingrained dichotomy between modernism and celebrity jonathan goldman offers a provocative new reading of early twentieth century culture and the formal experiments that constitute modernist literature s unmistakable legacy he argues that the literary innovations of the modernists are indeed best understood as a participant in the

popular phenomenon of celebrity presenting a persuasive argument as well as a chronicle of modernism's and celebrity's shared history modernism is the literature of celebrity begins by unraveling the uncanny syncretism between oscar wilde's writings and his public life goldman explains that wilde in shaping his instantly identifiable public image provided a model for both literary and celebrity cultures in the decades that followed in subsequent chapters goldman traces this lineage through two luminaries of the modernist canon james joyce and gertrude stein before turning to the cinema of mega star charlie chaplin he investigates how celebrity and modernism intertwine in the work of two less obvious modernist subjects jean rhys and john dos passos turning previous criticism on its head goldman demonstrates that the authorial self fashioning particular to modernism and generated by modernist technique helps create celebrity as we now know it

through biographies of china s most colorful and famous personalities john wills displays the five thousand year sweep of chinese history from the legendary sage emperors to the tragedy of tiananmen square this unique introduction to chinese history and culture uses more than twenty exemplary lives biographies of china s most colorful and famous personalities including those of statesmen philosophers poets and rulers to provide the focus for accounts of key historical trends and periods what emerges is a provocative rendering of china s moral landscape featuring characters who have resonated in the historical imagination as examples of villainy heroism wisdom spiritual vision political guile and complex combinations of all of these investigating both the legends and the facts

surrounding these figures will reveal the intense interest of the Chinese in the brilliance and in the frail complexities of their heroes included for instance is a description of the frustrations and anxieties of Confucius who emerges as a vulnerable human being trying to restore the world to the virtue and order of the sage kings wills recounts and questions the wonderfully shocking stories about the seventh century empress Wu an astute ruler and shaper of an increasingly centralized monarchy who has since assumed a prominent position in the Chinese tradition's rich gallery of bad examples because she was a woman meddling in politics the portrayal of Mao Zedong which touches upon this leader's earthy personality and his reckless political visions demonstrates the tendency of the Chinese not to divorce ideology from its human context Maoism for them is a form of objective Marxism inseparable from one man's life and leadership each of the twenty chapters provides a many-sided exploration of a slice of Chinese history engaging the general reader in a deep and personal encounter with China over the centuries and today the biographies repeatedly mirror the moral earnestness of the Chinese the great value they place on the ruler-minister relationship and their struggles with tensions among practicality moral idealism and personal authenticity culminating in a reflection on China's historical direction in the aftermath of Tiananmen Square the biographies show the modern Chinese still inspired and frustrated by a complex heritage of moral fervor and political habits and preconceptions as absorbing as it is wide-ranging this history is written for the general public curious about China and for the student beginning to study its rich cultural heritage this new edition highlights important figures that

have emerged in china since the book s initial publication and provides updated suggestions for further reading

written in 1839 and chosen as the winning entry in a competition held by the royal norwegian society of sciences schopenhauer s prize essay on the freedom of the will marked the beginning of its author s public recognition and is widely regarded as one of the most brilliant and elegant treatments of free will and determinism schopenhauer distinguishes the freedom of acting from the freedom of willing affirming the former while denying the latter he portrays human action as thoroughly determined but also argues that the freedom which cannot be established in the sphere of human action is preserved at the level of our innermost being as individuated will whose reality transcends all dependency on outside factors this volume offers the text in a previously unpublished translation by eric f j payne the leading twentieth century translator of schopenhauer into english together with a historical and philosophical introduction by günter zöller

Schopenhauer: Prize Essay on the Freedom of the Will

2014-10-16

Samuel Beckett's long-standing friend James Knowlson recreates Beckett's youth in Ireland, his studies at Trinity College Dublin in the early 1920s, and from there to the continent where he plunged into the multicultural literary society of late 1920s Paris. The biography throws new light on Beckett's stormy relationship with his mother, the psychotherapy he received after the death of his father, and his crucial relationship with James Joyce. There is also material on Beckett's six-month visit to Germany as the Nazis tightened their grip. The book includes unpublished material on Beckett's personal life after he chose to live in France, including his own account of his work for a resistance cell during the war, his escape from the Gestapo, and his retreat into hiding. Obsessively private, Beckett was wholly committed to the work which eventually brought him public fame, beginning with the controversial success of *Waiting for Godot* in 1953 and culminating in the award of the Nobel Prize for Literature in 1969. James Knowlson is the general editor of the theatrical notebooks of Samuel Beckett.

On the Suffering of the World

1995-12-04

schopenhauer s prize essay on the freedom of will is one of the classics of western philosophy dealing with the question of free will versus determinism his treatment of the problem of free will is by no means obsolete containing penetrating reflections relevant to contemporary discussion the argument of the essay is clearly and rigorously presented and reveals many basic features of schopenhauer s thought as such it forms a useful introduction to schopenhauer s philosophy in general equally the essay can be studied with profit independently of schopenhauer s metaphysical views this new edition of the sole english translation of this classic text contains an expanded bibliography index and preface in which the translator comments on recent scholarship on schopenhauer the translator s introduction puts the essay into the context of schopenhauer s general philosophy and suggests some possible criticisms of his position
