IET Wiring Regulations: Electric Wiring for Domestic Installers 2016-06-20

each year writers and editors submit over three thousand grammar and style questions to the q a page at the chicago manual of style online some are arcane some simply hilarious and one editor carol fisher saller reads every single one of them ~~2016-05-02~~ when she notes ~~8/19~~ classic author editor larson manual 18th edition

standoff wherein both parties refuse to compromise on the rights and wrongs of prose styling this author is giving me a fit i wish that i could just demand the use of the serial comma at all times my author wants his preface to come at the end of the book this just seems ridiculous to me i mean it s not a post face in the subversive copy editor saller casts aside this adversarial view and suggests new strategies for keeping the peace emphasizing habits of carefulness transparency and flexibility she shows copy editors how to build an environment of trust and cooperation one chapter takes on the difficult author another speaks to writers themselves throughout the focus is on serving the reader even if it means breaking rules along the way saller s own foibles and misadventures provide ample material i mess up all the time she confesses it s how i know things writers saller acknowledges are only half the challenge as copy editors can also make trouble for themselves does any other book have an index entry that says terrorists see copy editors the book includes helpful sections on e mail etiquette work flow management prioritizing and organizing computer files one chapter even addresses the special concerns of freelance editors saller s emphasis on negotiation and flexibility will surprise many copy editors who have absorbed along with the dos and don ts of their stylebooks an attitude that their way is the right way in encouraging copy editors to banish their ignorance and disorganization insecurities and compulsions the chicago q a presents itself as a kind of alter ego to the comparatively staid manual of style in the subversive copy editor saller continues her mission with audacity and good humor

BSC 104 Laboratory Manual Introduction to Biology Non- Majors 18th Edition 2005
