Alternate Tunings Picture Chords 1997 the great thing about standard tuning on the guitar is its unmatched flexibility when it comes to chords especially open chords so what i d like to do here is revisit the first few frets but this time we re going to learn some slightly more advanced open chords which are probably more befitting of where you re at now this book is not to be taken too seriously as it s more about exploring possibilities hearing some unique voicings and giving your fretting hand a good workout why learn more open chords there are a number of benefits to learning these more advanced open chords first of all chords exercise your fretting hand in a different way than scales do and some of these are quite tricky

to pull off open chords generally have a full lush sound and may even inspire a new song or riff besides guitarists generally don t know enough chords so learning a few more definitely won t hurt due to incorporating open strings these chords are unique not only to the guitar but to the world of music and this is useful if you re looking for a more individual voicing
