TACHS Exam Study Guide 2013 after 6 weeks of practice ryan went from 1000 on the sat to 1400 his confidence soared before walking in to take the exam and it made a huge difference sounds like something i made up doesn t it this actually took place with one of my students looking for help to increase your sat score not sure how to start studying for the sat test then this book is for you you can use the book on its own and you can get an even bigger benefit if you use the offical sat study guide 2020 for practice and use how to the slay the sat for guidance i am an sat test prep expert and i have personally helped thousands of students over the past 14 years this book is a culmination of my years of experience at breaking concepts down so that they are easier to understand it is like having a personal tutor help you through your test prep the book includes 6 weeks 4 weeks and 7 days study plans to help you figure out the best approach to achieve your highest score review of the content that will appear on the sat easy to remember strategies for every section of the test let me help guide you through your sat preparations testimonial i ve been working with college bound teens for over 20 years and i ve always been at a loss to answer the question what book should i use to prep for the sat if you ve looked at most of the guides they re

thick and overwhelming and have the sense of being lectured at by a teacher who's telling you to put your hand down because they're not taking any questions how to slay the sat is the complete opposite of that the author's years as a one on one tutor are apparent because it feels like you have someone sitting beside you explaining strategies and test components in a way that has clearly been honed from having to continually clarify the message for a kid struggling with the concept crystal
