**Cambridge Advanced Learner's Dictionary KLETT VERSION** 2013-08-15 this work provides the basic information about grammar and punctuation that people need on a day to day basis arranged a to z it contains entries for standard grammatical terms as well as dealing with specific questions of usage

Oxford A-Z of Grammar and Punctuation 2016-05-16 the authoritative guide to using the english language effectively from the greatest writer on grammar and usage that this country has ever produced david yerkes columbia university the author of the chicago manual of style s popular grammar and usage chapter bryan a garner is renowned for explaining the vagaries of english with absolute precision and utmost clarity with the chicago guide to grammar usage and punctuation he has written the definitive guide for writers who want their prose to be both memorable and correct garner describes standard literary english the forms that mark writers and speakers as educated users of the language he also offers historical context for understanding the development of these forms the section on grammar explains how the canonical parts of speech came to be identified while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar the usage section provides an unprecedented trove of empirical evidence in the form of google ngrams diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of english literature garner also treats punctuation and word formation and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references the chicago guide to grammar usage and punctuation is a magisterial work the culmination of garner s lifelong study of the english language the result is a landmark resource that will offer clear guidelines to students writers and editors alike a manual for those of us laboring to produce expository prose nonfiction books journalistic articles memorandums business letters the conservatism of his advice pushes you to consider audience and occasion so that you will understand when to follow convention and when you can safely break it john e mcintyre baltimore sun The Chicago Guide to Grammar, Usage, and Punctuation 1999 in this highly acclaimed revision grammatical descriptions and teaching suggestions are organized into sections dealing with form meaning and use the grammar book second edition helps teachers and future teachers grasp the linguistic system and details of english grammar providing more information on how structures are used at the discourse level

*The Grammar Book* 1995-07-05 the study of language in written texts and transcripts of speech is greatly helped by a student s ability to identify and describe those prominent features of the grammar which make one variety of english different from another a course book in english grammar looks at many of the problems encountered by students and encourages them to find their own answers and to assess hypotheses about grammatical description there are activities at each step using authentic written and spoken data

using real texts avoids the faking of evidence to be found in some traditional grammar books and interesting problems of analysis that arise in such texts are a source of useful discussion the book has been thoroughly revised and expanded for this second edition which contains additional chapters and material a new opening chapter discusses the concept of grammatically correct english and the differences between descriptive prescriptive and proscriptive approaches to the writing of grammar books the book is a systematic description of standard english and examples of contemporary spoken dialectal grammar are introduced and analysed to illustrate the differences between standard and nonstandard usage a course book in english grammar will prove invaluable to all students of english language
