*Jihad and Dawah* 2017 this book provides a detailed account of the emergence and metamorphoses of lashkar e taiba let and its political  
 arm jamat ud dawah since the early 1990s linking the group s narratives to the process of islamization in pakistan and divergent views  
 on the country s islamic identity it is the first systematic analysis of how the organization globally reviled as the perpetrator of the 2008  
 mumbai bombings has developed its conception of da wah proselytizing and jihad in response to regional and global developments  
 samina yasmeen makes extensive use of urdu materials pamphlets books ephemera by markaz da wah wal irshad the parent  
 organization of let to examine the insider s vision of the dominant threats to pakistan and the muslim ummah as well as strategies for  
 countering these threats she argues that while adopting an oppositional narrative vis à vis india and the west let has increasingly turned  
 its attention to da wah narratives within pakistan engaging with broader spectrums of society women have increasingly been assigned  
 significant agency in this narrative and jud s activism in education and social welfare has helped it acquire social capital this in turn  
 prompts a re imagining of the movement s relationship with the pakistani military

**Affirming the Imamate: Early Fatimid Teachings in the Islamic West** 2021-04-08 the two sermons edited and translated here for the first time are primary material from the years before the establishment of the fatimid caliphate in 297 909 the authors have been identified as abu abd allah al shi i and abu l abbas muhammad two brothers who were central to the success of the ismaili da wa in north africa da wa a term used to describe how muslims teach others about the beliefs and practices of their islamic faith therefore provide a unique view of the nature and development of islam throughout history in this case the primary texts shed light on the development of islam among the berbers of the maghreb the first text by abu abd allah al shi i shows how the arguments for belief in the imamate of the family of the prophet that is the shi a belief that all imams should be spiritual descendants of the prophet muhammad and his household were developed and presented to bring new adherents to the cause the book of the keys to grace by his elder brother abu l abbas too concerns not only the centrality of the imam in the faith but also sheds light on the hierarchy of the da wa in this early period and its organisational sophistication both texts also reveal the contemporary theology propagated by the ismaili da wa including for instance the powerful analogy of mooses aaron and muhammad ali the awareness of a variety of religious traditions and the use of detailed qur anic quotations and a wide range of hadith as such they constitute primary source material of interest not only for ismaili history but for this early period of islam in general
