Our Church 2014-05-01

for most people in england today the church is simply the empty building at the end of the road visited for the first time if at all when dead it offers its sacraments to a population that lives without rites of passage and which regards the national health service rather than the national church as its true spiritual guardian in our church scruton argues that the anglican church is the forlorn trustee of an architectural and artistic inheritance that remains one of the treasures of european civilization he contends that it is a still point in the centre of english culture and that its defining texts the king james bible and the book of common prayer are the sources from which much of our national identity derives at once an elegy to a vanishing world and a clarion call to recognize anglicanism s continuing relevance our church is a graceful and persuasive book

Embracing Justice 2021-11

embracing justice the archbishop of canterbury s lent book for 2022 asks what might a spirituality shaped by biblical portrayals of justice look like for the church of the 21st century

This is Our Church 2005

the seven societies of the first church in boston 1630 there are three reviews and the publisher is the society of the first church in boston

This Is Our Church 2000-08

explains through words and pictures the different parts of a catholic church such as the altar ambo music center and confessional

Why Church Matters 2011-08-16

christians belong in churches the only places where we can thrive and grow spiritually in why church matters joshua harris makes this case with wisdom clarity and graciousness charles w colson church isn't where we go it's who we are we were never meant to live our faith in isolation the church is the place god uses to grow us encourage us and use our gifts for his glory in this honest personal and practical book joshua harris shows you why it's time to say yes to church and how to find the right one for you the place where you can fall in love with the family of god includes what you miss when you miss church ten questions to ask before you join how to get more out of the best day of the week what readers are saying this book shows the place of great honor that church holds in christ's heart and encourages us to value what he values i've bought multiple copies to give away mike neglia cork ireland josh harris does an excellent job of addressing our impulse to church hop garrett watkins atlanta georgia when our family was in the midst of a transition why church matters helped us find the right local church it will do the same for you andrew hall ilderton ontario previously published as stop dating the church

The Motherhood of the Church 1982

priests are called father and the church is called mother our holy mother the church is a traditional way of speaking among catholics but are these outdated sentimental expressions or do they express a deep insight into the nature of the church as a whole and of ordained ministry in relation to the church is there a genuine theological meaning to the traditional reference to the church as she henri de lubac addresses such questions with his usual profound erudition he deeply mines the christian tradition in examining the motherhood of the church focusing on the church's motherhood allows this great theologian to unite two profound truths the church is the bride of christ and the church is christ's mystical body

as de lubac shows the church cannot be rightly considered apart from christ and his saving work both of which should be understood in light of the mystery of the church s maternity

The Church in Transition 2006

the journey of existing churches into the emerging culture in our fast growing post christian postmodern culture the church often finds itself marginalized and ineffective in mission the new emerging church is both hopeful and frightening compared to more traditional forms of christianity however these two churches need each other the church in transition presents honest stories of the failures and successes of a variety of transitioning fellowships

Remembering Our Future 2007

how the issues of the past affect the future of deep church a concept conceived by c s lewis orthodox catholic and protestant traditions drink from the well of a common tradition rooted in the early church many evangelicals are now reengaging with the practice of the early church as they seek to live as disciples today remembering the past is essential for facing the future in remembering our future leaders and theologians reflect on a range of issues for which a vibrant contemporary faith requires a careful listening to the past what is the place of tradition in the church s life how should we interpret the bible how should we worship what in other words might deep church look like

The Church 2012

a primer by respected washington dc pastor and 9marks ministry president mark dever on the doctrine of the church that explores the important issues of church life other doctrines worship and polity

What Is the Mission of the Church? 2011-09-08

social justice and mission are hot topics today there s a wonderful resurgence of motivated christians passionate about spreading the gospel and caring for the needs of others but in our zeal to get sharing and serving many are unclear on gospel and mission yes we are called to spend ourselves for the sake of others but what is the church s unique priority as it engages the world deyoung and gilbert write to help christians articulate and live out their views on the mission of the church in ways that are theologically faithful exegetically careful and personally sustainable looking at the bible s teaching on

evangelism social justice and shalom they explore the what why and how of the church s mission from defining mission to examining key passages on social justice and their application to setting our efforts in the context of god s rule deyoung and gilbert bring a wise studied perspective to the missional conversation readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for jesus call to preach the word and make disciples

The 21st Century Church 2018-03-15

after much prayer and meditation god spoke to me i combed through scriptures reading about the church and more about jesus and his relationship with his disciples especially focusing on peter and his bond with the church what was its purpose why couldn t the thoughts of the church the body of christ the pure meaning of its intent be left alone my brothers and sisters after countless days of tumultuous soul searching and restless nights god has revealed to me that the transformation begins with the acceptance of his son however at times we are alienated and an enemy of christ destitute by the wicked works of our minds conversely through his sacrificial death he has reconciled us to present us holy unblameable and unreprieveable to himself when you journey through the pages of this book allow the process to continue jesus works from the inside out the mind is the center for change as you continue to walk in christ let this mind be in you which was also in christ jesus let this book be the compass that guides you back on course so that you too can become the church that christ intended you to be

God's House is Our House 2006

2007 catholic press association award winner god s house is our houseserves as a platform for rethinking the catholic environment for worship father vosko provides a theoretical foundation for building or renovating a worship space by drawing upon biblical theological and ecclesiological sources as well as studies on architecture spatial settings and creative problem solving since vatican ii changes have occurred in liturgical texts music and life cycle rituals especially the eucharist cathedrals and churches have also been transformed making a formative impact on the life of the church some say that new and renovated churches no longer feel like god s house others maintain that a developed understanding of liturgy requires worship settings that accommodate the ritual making of the community the liturgical reforms that have guided catholic episcopal and lutheran congregations over the last half century have transformed what these denominations know about worship worshipers are no longer spectators but active participants in the ritual acts that once were the sole possession of the clergy as the liturgy is modified church buildings are altered almost overnight god s house has new owners and users and once again is known as a house for the church how does all such change affect the architectural style of

church buildings here father vosko considers worship space dilemmas and offers practical advice this book is for faith communities and design professionals it addresses diverse opinions regarding the environment for worship and through photography and illustration features award winning examples of new and renovated places of worship

Mary and the Fathers of the Church 1999

father luigi gambero internationally known expert on early christianity presents a comprehensive survey of the development of marian doctrine and devotion during the first eight centuries focusing on the lives and works of over thirty of the most famous church fathers and early christian writers fr gambero has produced a clear and readable summary of the richness of the patristic age s theological and devotional approach to the mother of god the book contains numerous citations from the works of those men who developed the defining christological and mariological positions that have constituted the foundational doctrinal teaching of the church each chapter concludes with an extended reading from the works of the patristic authors a number of these texts have never before been published in english the thought of the fathers and early christian writers continues to fascinate readers today their theological acuity and spiritual depth led them faithfully into the mysteries of sacred scripture their vast experience made them reliable and trustworthy witnesses to the faith of the people of god

That Was The Church That Was 2016-07-28

the church of england still seemed an essential part of englishness and even of the british state when mrs thatcher was elected in 1979 the decades which followed saw a seismic shift in the foundations of the c of e leading to the loss of more than half its members and much of its influence in england today religion has become a toxic brand and anglicanism something done by other people how did this happen is there any way back this relentlessly honest and surprisingly entertaining book tells the dramatic and contentious story of the disappearance of the church of england from the centre of public life the authors religious correspondent andrew brown and academic linda woodhead watched this closely one from the inside and one from the outside that was the church that was shows what happened and explains why

Does God Need the Church? 2014-12-16

are not all religions equally close to and equally far from god why then the church gerhard lohfinck poses these questions with scholarly reliability and on the basis of his own experience of community in does god need the church in 1982 father lohfinck wrote wie hat jesu gemeinde gewollt translated into english

2011-07-25

5/16

this is our church a history of
catholicism

as jesus and community to show on the basis of the new testament that faith is founded in a community that distinguishes itself in clear contours from the rest of society in that book he also described a sequence of events that moved directly from commonality to a community that was readily accessible to every group of people and was made legitimate by jesus himself only later did father lohfkink learn within a new horizon of experience that such a description is not the way to community the story of the gathering of the people of god from abraham until today never took place according to such a model today father lohfkink states that he would not write wie hat jesus gemeinde gewollt the same way the situation of belief and believers has undergone a shift the question of the church has become much more urgent church life is declining and the religions are returning often in new guises in light of these shifts and the change in his own view of community father lohfkink inquires in does god need the church of israel s theology jesus praxis the experiences of the early christian communities and of what is appearing in the church today these inquiries lead to an amazing history involving god and the world a history that god presses forward with the aid of a single people and that always turns out differently from what they think and plan

The Sun in the Church 2009-06-01

between 1650 and 1750 four catholic churches were the best solar observatories in the world built to fix an unquestionable date for easter they also housed instruments that threw light on the disputed geometry of the solar system and so within sight of the altar subverted church doctrine about the order of the universe a tale of politically canny astronomers and cardinals with a taste for mathematics the sun in the church tells how these observatories came to be how they worked and what they accomplished it describes galileo s political overreaching his subsequent trial for heresy and his slow and steady rehabilitation in the eyes of the catholic church and it offers an enlightening perspective on astronomy church history and religious architecture as well as an analysis of measurements testing the limits of attainable accuracy undertaken with rudimentary means and extraordinary zeal above all the book illuminates the niches protected and financed by the catholic church in which science and mathematics thrived superbly written the sun in the church provides a magnificent corrective to long standing oversimplified accounts of the hostility between science and religion

Love Your Church 2021-06-01

how to grow in love for your church god calls us to be devoted to one another in love romans 12 10 what does this look like for us today how can we be the kind of church member who makes a real difference this engaging book by tony merida explores what church is why being part of it is exciting and why it s worthy

of our love and commitment he sets out eight privileges and responsibilities of a church member to belong to welcome to gather to care to serve to honour to witness and to send as we see how wonderful it is to belong to god s family and be a part of his amazing witness to both the earthly and the heavenly realms we ll grow in our love for and commitment to our local church this is a great book for every churchgoer to read whether they re new or have been attending for some time but need re energising with god s vision for the local church with a discussion guide at the end of the book love your church is also a great resource for small groups

Why Our Teenagers Leave the Church 2000

between 40 and 50 per cent of adventist youth leave the church in their 20s why how can we keep them how can we win them back this book is the culmination of a magnificent obsession for more than ten years roger dudley traced the lives of 1500 teenagers as they grew up and often grew disillusioned refusing to let them leave in peace dudley bombarded them with questionnaires many of them answered this is their story dudley puts faces on the statistics by focusing in on individual case studies he cites the heart wrenching testimony of desperately lonely people surrounded by uncaring members they want to belong to be needed to be heard to be loved they made some mistakes we share their pain and their dreams and feel the dissonant cadences of their troubled hearts some who never left explain what kept them in the church many who left want to return without god life is hell wrote one if you want to know what the youth of your church are not telling you read this book it includes the responses of a group of kids who were asked to design the ideal church and an appendix explaining the causes of adolescent heresy the conflict spawned by the teenage struggle for autonomy

Defining the Church for Our Time 2012-06-12

the church is broken and we cannot fix it faith in god is disconnected from churches mainline churches are deeply divided and their budgets and congregations have diminished with no agreement for recovery so what shall we do it is time to stop talking about the problems and to consider a new vision of the church for our time this book is a celebration of the church as the community of new life in christ it assumes christ intended to create a community on earth embodying grace and holiness it begins with a new and inclusive definition of the church as a community enduring in time it affirms the great variety of churches all as valid expressions of the new life and explains how and why churches are formed in different ways the goal is for churches to celebrate the saving power of christ and to see the glory of god revealed in the world in our time

Watchmen . . . Or Wolves? 2019-12-13

wolves in sheep s clothing jesus warned us about them the apostles did too and the sheep are following them like lambs to the slaughter from christian cults to the rise of false messiahs we have now reached the point where even our faithful trustworthy church leaders are being deceived more than ever before the ways of the world and political correctness are now taking over morphing into new teachings being fed to the sheep under the guise of progressive liberal christianity the lie that wants to ditch orthodox biblical teaching and replace it with counterfeits a line has been crossed with no turning back the pit has been opened and the demons are rushing out we cannot dither or we will be devoured we must run for our lives and follow the voice of our only true shepherd the lord jesus christ the howl of the wolves will get louder and louder as the days hasten towards the return of christ knowing and obeying god s word will help you escape from their snare packed with scripture to show you the way watchmen or wolves will be a beacon of light directing you away from the dangerous path on which the church is now headed i am delighted to be able to commend this important book this book rekindles the prophetic vision of what the church is called to be and what the principles of the kingdom are as we find them set out in the revelation of scripture the church in the west is at the most critical moment in its history for the last 500 years voices like those of chris and michele neal are badly needed if the prophetic call to repent is to be heard excerpt from the foreword by the right reverend dr gavin ashenden former chaplain to her majesty the queen chris and michele neal s latest offering to the people of god is a no excuses course for our times that clearly states where and how the church is operating in compromise this is a must read for every church leader the reverend charlyne m boddie minister international speaker and author watchmen or wolves illustrates the disturbing trend within churches today to conform to the world ignore the truth of god s word and deceive those attending these churches this excellent book leaves no stone unturned it is both disturbing and challenging thoroughly researched backed up with powerful scripture references and providing plenty of up to date examples this book exposes the incredible assault on the truth of god s word and on those who would uphold the truth this book can be counted among the top clear voices sounding a clear warning and call to action for those willing to heed day ashton author freelance writer and bible teacher and blogger a timely wake up call to a church gone adrift from its biblical moorings the reverend melvin tinker senior minister st john newland hull author of that hideous strength how the west was lost chris is the author of the christian book for men michele is the author of come on church wake up the end of the world the gospel of deception and when healing doesn t happen their books have been written out of obedience to the lord s calling and intervention in their lives they have been followers of christ since 1991 and live in the united kingdom

Endangered Gospel 2016-06-16

for centuries christians sought to rescue people from this world today we re trying to fix it while this shift is helpful in some ways in other ways it can be quite dangerous endangered gospel flips the script on this conversation by stressing the core gospel truth that rather than ushering in a new world through social activism god s people already are the new world in christ it s not our job to make this world a better place but to be the better place god has already made in this world that s good news if we let go of this truth we become servants of the world and not god we also lose the great joy and abundant life that god intended us to have in community jesus himself said that the world will know we are christians by our love for one another not the fervor of our activism social action makes us feel relevant and alive but it can t be the center of our new life in christ endangered gospel explores how we might enthusiastically embrace the social dimensions of the gospel without divorcing them from the church or forcing them on the world read this book hear the gospel story afresh and embrace the good news of god s kingdom

The Church and the Relentless Darkness 2013-01-28

in a period of tumultuous transition for the church as it moves out of the christendom era and into the unknowns of the post christian era it is strange that so little has been written about the church s calling out of the dominion of darkness satan and into the kingdom of light or god s dear son the very word ecclesia speaks of a people called out in the new testament the theme of spiritual warfare is ubiquitous and yet is relegated to the margins in our present cultural whitewater in the church and the relentless darkness robert henderson approaches the topic of spiritual warfare directly and focuses on its manifestation in local christian communities using the letter to the ephesian christians as his base henderson portrays the relentless darkness that comes with all satanic subtlety on unsuspecting communities but he brings with this a message of hope and encouraging disciplines

The Will to Arise 1992

what is the reality of being african woman and christian in this collection of original essays african women theologians write about the life and dreams the sorrows and joys of african women in a continent where religion shapes the whole of life the first two parts of the book describe the role of women in terms of culture rites of passage and daily life attitudes toward birthing and naming marriage and

2011-07-25 **9/16** this is our church a history of catholicism

widowhood polygamy prostitution and death are all explored the third part focuses on the church reviewing biblical attitudes toward women and showing how african women can and should contribute to the life of the christian church contributors musimbi r a kanyoro mercy amba oduyoye rosemary n edet anne nasimiyu wasike daisy n nwachuku rabiata ammah judith mbula bahemuka lloyda fanusie bernadette mbuy beya teresa m hinga anne nachisale musopole r modupe owanikin teresa okure the themes in the will to arise constitute the base of contemporary african women s theological scholarship at their most creative these theologians affirm cultural traditions and criticize their failings in order to lead the reader to new visions that can renew religious life in our various contexts from the foreword by katie g cannon mercy amba oduyoye a leader in the world council of churches is author of hearing and knowing and coeditor of with passion and compassion musimbi r a kanyoro a kenyan theologian is head of the women s division of lutheran world federation

The Churches of God 2012-09

if you ve ever wondered what the churches of the new testament looked like how they functioned how they were governed how they conducted their evangelistic and missionary enterprises what ordinances they observed what their liturgy consisted of how decisions were made how discipline was administered if you ve ever wondered how far modern churches have drifted from the new testament pattern if you ve ever wondered what it would take for your church and others like it to return to the new testament model or if such a thing is even possible or desirable then this book is for you g h lang s ability to elucidate biblical truth was never more evident than in this small treatise on the constitution government discipline and ministry of the church of god his gifts as a diligent bible student expositor and precise thinker together with his many years of experience as an itinerant bible teacher in many different countries and cultural settings all combine to make this a go to reference on many issues relating to the local church about the author g h lang 1874 1958 was a gifted bible teacher and prolific author who in his early life was associated with the exclusive branch of the plymouth brethren but later affiliated himself with the open brethren he traveled widely as an itinerant bible teacher depending solely on god for his support although mr lang himself was a prolific author it was his belief that no man should write a book until he is 40 he needs to prove his theories in practice before publishing in his own case all but nine of his many books were written after he was 50 kingsley press has recently re published lang s amazing autobiography an ordered life more information can be found on our web site kingsleypress com

Our Church Covenant 2009-05-26

many people today especially among emerging generations don t resonate with the church and organized

christianity some are leaving the church and others were never part of the church in the first place sometimes it s because of misperceptions about the church yet often they are still spiritually open and fascinated with jesus this is a ministry resource book exploring six of the most common objects and misunderstandings emerging generations have about the church and christianity the objections come from conversations and interviews the church has had with unchurched twenty and thirty somethings at coffee houses each chapter raises the objection using a conversational approach provides the biblical answers to that objection gives examples of how churches are addressing this objection and concludes with follow through projection suggestions discussion questions and resource listings

They Like Jesus but Not the Church 1859

in today s highly charged social and political environment we often don t know how to talk well with others especially with people whose backgrounds differ from our own c christopher smith coauthor of the critically acclaimed and influential slow church addresses why conversation has become such a challenge in the 21st century and argues that it is perhaps the most needed spiritual practice of our individualistic age smith likens practicing conversation to the working of the human body bodies are wondrous symphonies of diverse intricate parts striving for our health and our health suffers when these parts fail to converse effectively likewise we must learn to converse effectively with those who differ from us in the body of christ so we can embody christ together in the world in community we learn what it means to belong to others and to a story that is bigger than ourselves smith shows how church communities can be training hubs where we learn to talk with and listen to one another with kindness and compassion the book explores how churches can initiate and sustain conversation offers advice for working through seasons of conflict suggests spiritual practices and dispositions that can foster conversation and features stories from several congregations that are learning to practice conversation

The Position of Our Church; Or, the True Sense of the Non-Supremacy Clause of the New Oath, Etc 2019-04-16

many in the world and even some in the church have several misconceptions about the church which has led to a decline in the effectiveness and impact of the church in reaching out to the world and in her ability to effect changes in the world one of the major challenges is a lack of understanding of the purpose of the church it is necessary that every believer understand the true purpose of the church we must not let the world tell us who we are and what our purpose or assignment is we must find out for ourselves as revealed in the word of god and let this understanding create a consciousness that will drive our goals and activities this is the focus of this book we will explore the true purpose of the

church the course of the church the ministry of the church and the role of the church in missions

How the Body of Christ Talks 1833

for anyone who is concerned about church decline the contents of this book offer an essential blueprint for building god's whole community in the coming years this unique set of resources offers practical help and insight for all who want to grow enrich and develop their congregational life the church of scotland has drawn on the findings of extensive new research that it has commissioned in order to put together this set of carefully crafted and informed resources aimed at helping every congregation to understand why people leave the church how to avoid unnecessary departures and above all to develop an enriching vital christian fellowship with the large numbers of churchless christians in every community across the country this ground breaking book illustrated by dave walker offers information hope insight prayerful reflection and practical ideas for bringing together in fellowship all christians whether they are members of an institutional church or not

The Purpose of the Church 1999-06-17

have you ever wondered why we christians do what we do for church every sunday morning why do we dress up for church why does the pastor preach a sermon each week why do we have pews steeples and choirs this ground breaking book now in affordable softcover makes an unsettling proposal most of what christians do in present day churches is rooted not in the new testament but in pagan culture and rituals developed long after the death of the apostles coauthors frank viola and george barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern christian church practices in the process the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be as you reconsider christ's revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role you'll be challenged to decide whether you can ever do church the same way again

Our National Church 2016-04-27

through the history of god's people the constant element has been the manifest presence of the almighty baptism in the holy spirit galvanized the young church equipping and empowering the believers for action particularly for proclamation this transformative experience boosted courage fostered fluency and granted insights to ordinary men and women and still does today the spirit gives particular gifts terry clarifies the distinction between pastors apostles and prophets every fellowship needs a pastor someone who can

keep the flock close to the shepherd himself beyond that there is the role of the apostle whose calling is to act as the master builder but we are all called to be a prophetic people able to speak god s word into the current situation bringing direction comfort solutions and action this warm and loving description of the work of the spirit is a delightful articulation of the passion that has driven terry s life and ministry

I Believe in the Church 2010-09-30

how every church member can be like jesus by making newcomers and outsiders feel part of the church family walking into church can be intimidating whether for the first time or after a period of absence whether you are a non believer or a believer wouldn t it be wonderful if your church was a place where everyone received a warm welcome a place where newcomers can quickly feel at home and where non believers receive the welcome of god s people alongside the welcome of jesus this warm practical book by jen oshman explores what the bible says to help readers discover how to make space for others however different they are to them in their church and in their lives she also gives practical advice drawing on good practice from churches around the world in a range of situations in a world of division individualism and isolation readers will see that their church can witness to christ by being a place of welcome community and connection chapters include how jesus welcomes us the impact of welcoming in the early church the effect of being siblings in christ how to welcome beyond sunday helpful systems and strategies how our joy in christ causes us to be outward looking and mirroring the glorious vision set out in revelation whether you re a pastor looking to encourage your congregation to welcome others or a church member wanting to see unbelievers come to faith and help everyone feel part of the family this book is for you

The Invisible Church 2011

the profusion of medieval churches in norfolk provides not only examples of beautiful church architecture but also records life in their communities and offers an insight into the history of medieval england the third revised and enlarged edition of the guide to norfolk churches contains an encyclopaedic glossary and a detailed index which contribute to the comprehensive survey provided by this guide this indispensable guide to the living medieval churches of norfolk helps the visitor to understand both the general features of churches and the unique aspects of those in different areas the guide is generously illustrated with photographs line drawings and a detailed map to aid in locating each church within the county the expanded reference section is designed to answer a host of questions which may tease the church visitor for example what symbols are used to represent particular saints why do so many norfolk churches stand isolated from their villages and why does thepagan green man find a place in our christian

churches this book provides the answers to these and other questions written by enthusiasts for both the churches and the county in which they stand the great appeal of this guide is that once the code of church architecture has been broken and the language learned every church be it ever so humble is shown to be unique with its own story to offer this guide provides the key in this his revised guide to norfolk churches mr mortlock has provided us with a fascinating and illuminating description of each and every one he has visited armed with this guide the visitor cannot fail to enjoy exploring our lovely churches and having done so it is my earnest hope that he or she will be inspired to lend their support to these marvellous symbols of our heritage from the foreword by the countess of leicester

Pagan Christianity? 2023-01-01

the newest volume in the bible speaks today bible themes series the message of the church offers an encouraging exposition on the church's mission and nature from select old testament and new testament texts chris green helps us see that the church has a message it is the result of that message and that the church itself is a message

The Spirit-Filled Church 2017-08-31

jesus promised that as long as the earth remains his church will continue and it's a good job he did when we survey the church and how it relates to the world we have to wonder why he would bother the church is not the building nor is it the structure of government it is a body of believers christians make up the church and it is our responsibility to prayerfully think through how we can affect the situation sitting idly by is no longer an option as the church drifts along splintered distracted all too willing to slip its theological moorings and often showing a remarkable lack of love its influence on society dwindles either becoming indistinguishable from the world or becoming so unrelated that it appears to be a relic of an entirely different era donald macleod brings his customary flourish to this most pressing topic his seemingly effortless ability to communicate complicated issues ensures that the message he conveys is clear

Welcome 2022-06-07
