Best Bi Short Stories 2014-06

explore the theoretical political psychological and cultural issues surrounding male bisexuality bisexuality in the lives of men is the first anthology to focus on men who love both men and women the theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful hiv positive the dominant images of bisexual men in our culture whether portrayed as a coward who can t quite come out into full gayness or a smooth talking serial killer the bisexual man has been vilified in books and movies in scholarly studies they are often ignored or else lumped together with gay men it is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight but while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind a lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent unlimited desires an international anthology of bisexual erotica

the lives of men is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man topics include a thoughtful review and analysis of the public health research on the role of bisexual men in hiv transmission a study of the marital consequences of a husband s bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women the rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality bisexuality in the lives of men is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality

Bi Any Other Name 2015-09-23

while over the past decade a number of scholars have done significant work on questions of black lesbian gay bisexual and transgendered identities this volume is the first to collect this groundbreaking work and make black queer studies visible as a developing field of study in the united states bringing together essays by established and emergent scholars this collection assesses the strengths and weaknesses of prior work on race and sexuality and highlights the theoretical and political issues at stake in the nascent field of black queer studies including work by scholars based in english film studies black studies sociology history political science legal studies cultural studies and performance studies the volume showcases the broadly interdisciplinary nature of the black queer studies project the contributors consider representations of the black queer body black queer literature the pedagogical implications of black queer studies and the ways that gender and sexuality have been glossed over in black studies and race and class marginalized in queer studies whether exploring the closet as a racially loaded metaphor arguing for the inclusion of diaspora studies in black queer studies considering how the black lesbian voice that was so expressive in the 1970s and 1980s is all but inaudible today or investigating how the social sciences have solidified racial and sexual exclusionary practices these insightful essays signal an important and necessary expansion of queer studies contributors bryant k alexander devon carbado faedra chatard carpenter keith clark cathy cohen roderick a ferguson jewelle gomez phillip brian harper mae g henderson sharon p holland e patrick johnson kara keeling dwight a mcbride charles i nero marlon b ross rinaldo walcott maurice o wallace

Black Like Us 2011-10-01

gay lesbian bisexual and transgendered persons were at the center of a large body of myths in which they played important roles from creators of earth and all life to heroes male and female in battle from approximately 160 extant native american myths jim elledge has selected all those which would be most readily identifiable by contemporary readers as dealing with gay lesbian bisexual and transgendered individuals as well as those which focus on them as prominent if not main characters in the myths he has located a literature that existed long before the european colonization of north america and asserts that not only does north american literature begin with the oral traditions of native americans the beginning of north american literature includes gay lesbian bisexual and transgender literature in the form of these and other myths

Bisexuality in the Lives of Men 2001

anthology of love poetry and art written by lesbian and bisexual women

Black Queer Studies 2005-10-11

the act of coming out has the power to transform every aspect of a woman s life family friendships career sexuality spirituality an essential element of self realization it is the unabashed acceptance of one s outlaw standing in a predominantly heterosexual world these accounts sometimes heart wrenching often exhilarating encompass a wide breadth of backgrounds and experiences from a teenager institutionalized for her passion for women to the mother who must come out to her young sons at the risk of losing them from the cautious academic to the raucous liberated femme each woman represented here tells of forging a unique path toward the difficult but emancipating recognition of herself extending from the 1940s to the present day these intensely personal stories in turn reflect a

unique history of the changing social mores that affected each woman's ability to determine the shape of her own life together they form an ornate tapestry of lesbian and bisexual experience in the united states over the past half century

Plural Desires 1995

this guide lists 352 bi groups and 2129 bi inclusive groups in 66 countries and includes bibliographies an annotated list of recommended films advertising photos quotes cartoons and an electronic resources section

Unlimited Desires 2000

bisexuality is not the exclusion of heterosexuality or homosexuality in fact on the surface it may seem like a combination of both although it may be comforting to see ourselves as having fixed gender identities preferring the same or opposite sex and performing according to expectations associated with these preferences in our culture bisexuality transcends the contemporary hetero homo bipolarization and expresses a distinct and separate reality it is proposed that this thesis project will examine the phenomenon of the bisexual female through the scripting filming and editing of a short 16mm experimental documentary film this documentary will work with notions concerning the narratives about female bisexuality that emerge from history and the lives of contemporary bisexual women in our culture this film is personal in nature and allows me to explore and or express my own experience of bisexuality throughout the work i plan to utilize abstract imagery with representational images and to include both a non sync and synchronous original soundtrack within an installation context during the course of my thesis work i will experiment with the possibility of exhibiting my film in the environment of an installation abstract

Gay, Lesbian, Bisexual, and Transgender Myths from the Arapaho to the Zuñi 2002

hope fear desire despair promises betrayals lesbian gay bisexual transgender questioning intersex this anthology of short stories gives voice to the rising generation as they define what it means to grow up queer in the twenty first century what is it like to grow up in a society that embraces you in certain ways but discriminates against you in others how do you choose a label from the alphabet soup and should you even have to by turns heartwarming and heartbreaking comical and caustic these stories imagined and told by youth across america provide a snapshot of queerness at the dawn of the new millennium
